Action: *Judy Indorf to put together a PowerPoint presentation for our discussion with the Ottawa County Board of Developmental Disabilities Self Advocacy group (SASSY).

a. The Board agreed to update our bylaws which were written in the early 1990s. Gary Kohli and Judy Indorf have completed a draft of the by-laws which is being reviewed by the Board.

Minutes for March 19, 2021 – Mike Shadoan commented that the current by-laws indicate that to be present at a meeting, a person has to be physically present, whereas since Covid-19 arrived, we have been meeting electronically. Mike suggested the wording be revised to reflect this. Gary Kohli will draft a revision for this wording. Mike also noted that we do not follow the Order of Business as written in the by-laws, specifically we have not been identifying a time for a visitor to provide Public Comment. Judy Indorf will add this item to future agendas and will ensure the agenda reflects the Order of Business in the by-laws. Mike also noted there was a comment to “omit fax” on page 2 which needs to be deleted. A discussion was held regarding the by-laws giving the Executive Director the authority to pay invoices up to \$50,000 without Board approval. The Board agreed that this limit should be changed to \$10,000.

Mike Shadoan moved that we change the by-laws to require the Executive Director to seek Board approval to pay invoices >\$10,000 rather than \$50,000.

Jack Madison seconded the motion that we change the by-laws to require the Executive Director to seek Board approval to pay invoices >\$10,000 rather than \$50,000.

A vote was held to approve the motion to change the by-laws to require the Executive Director to seek Board approval to pay invoices >\$10,000 rather than \$50,000 with the following outcome:

Jack Madison	Yes
Mike Shadoan	Yes
Judy Indorf	Yes

The motion to change the by-laws to require the Executive Director to seek Board approval to pay invoices >\$10,000 rather than \$50,000 carries.

Action: *Gary Kohli to draft a revision to the by-law text which indicates someone must be physically present to be present at a meeting, to reflect electronic attendance consistent with how we have been holding meetings since Covid-19 arrived and to remove the text “omit FAX”.*

Action: *Board members to review the draft Park District of Ottawa County by-laws and provide any comments in preparation for approving the by-laws at our April 2, 2021 meeting.*

- Gary noted that he sent the proposed language to describe the payment/voucher process for the payment of bills for the Board’s review via email.
- Gary sent the Board members Erie County Metroparks’ bylaws for the Board’s reference and inserted the appropriate statute on the page the statute is referenced, to facilitate the Board’s review.
- Sandusky County Park District has sent their Staff information and has indicated they will send their by-laws, both for our reference.

Below is a summary of the comments and discussion to date on the by-laws:

- Mike Shadoan recommended that we publish meeting notices on social media, such as our Facebook page and website and no longer publish the notices in a hard print paper such as the Beacon. Gary Kohli noted that we need to determine what Ohio law requires regarding public meeting notices and ensure we comply with Ohio’s

requirements. We agreed to incorporate the appropriate change in our bylaws' revision.

- Done - Suggestion to delete the last sentence in Section 1
- Done - Suggestion to leave the board membership at 5.
- Noted that the language on the last page of Section 1545.1 gives the Board the power to acquire lands but is silent on the ability to sell land. The suggestion was made to expand the language to give the Board the ability to also sell land.
- Given our current experience of successfully holding meetings remotely, the suggestion was made to adjust the language to indicate presence of a meeting attendee need not be via physical attendance. Since this comment was made, it has been determined that the ORC requires physical presence to vote, unless this requirement is waived by Ohio government.
- The question was raised regarding what type of entity we are. Gary is working with the county to determine if we can be a governmental entity.
- The current version of the Park District of Ottawa County's by-laws was written in 1992 and have not been amended in the interim, with much of the content out of date. Gary Kohli reviewed the content of the current by-laws with the Board.
- Noted that Gary Kohli and Judy Indorf started with Erie County Park District's by-laws to develop our update and used our current by-laws as a reference.
- Discussion was held regarding how to most effectively communicate our meeting schedule to the public.
 - Noted that we have three types of meetings: Regular, Special and Emergency.
 - The board recognized that newspaper circulation has decreased and communication via electronic means has increased. Currently the public is notified of our meeting schedule by:
 - Publishing our meeting notice in the Beacon the Wednesday before our Friday meeting
 - Posting a written notice on the exterior door of the Ottawa County Courthouse
 - Posting our notice on the Friends of Ottawa County Parks Facebook page
- The board identified the following options for notifying the public of our meeting schedule:
 - Continue to post our notice in the Beacon, a once weekly county-wide newspaper
 - Post our notice in the News Herald, a daily newspaper.
 - Post our notice on the Park District of Ottawa County's website.
 - Post our notice on the door of the Ottawa County Courthouse building
 - Publish an evergreen calendar on the Park District of Ottawa County's website
 - Questioned if we could/should add our meeting schedule to the Ottawa County Commissioners' calendar – appears others do this
- It was noted that most entities are posting notices electronically only, or they publish their schedule once, annually, in a newspaper at the start of the year with electronic notices only throughout the year.
- The board would like to confirm how we could retain evidence of posting if the notification is electronic. A time stamped screenshot may be adequate. Judy Indorf will continue to work with Doug Rogers to determine if evidence of posting can be obtained.

Action: *Judy Indorf to work with Doug Rogers to confirm how we could retain evidence of notifying the public of our meeting schedule if notification is done electronically through the Park District of Ottawa County's website.*

- Noted that verbiage regarding quorum will change from two to three since the board's membership has changed from three to five and we plan to maintain five board members.
- Reviewed process for approving contract services, vendor purchases, etc.; noted that in general, the State of Ohio requires purchases of goods or services in excess of \$50,000 requires the board's approval
- Noted that when we begin to make payments for goods services, etc. we have two options:
 - Hire a Treasurer who will manage our funds directly
 - Make payments through the Ottawa County treasurer using a voucher system which may entail a fee
- While no decision was made, the general thought was that utilizing the county treasurer could be a good option initially, as we begin to grow
- Noted that regardless of the option we choose, we would be subject to a State Audit
- Gary Kohli and Judy Indorf will continue to work on the by-laws

b. Charting our path forward

i. Staff

Minutes for March 19, 2021 – Linda Amos and Judy Indorf reviewed their discussion on staffing held this past week. Judy Indorf sent an amended draft of Sandusky County's Director/Secretary role for discussion. Linda and Judy noted that this position would likely take significant time to fill, and possibly is more qualified than needed to start. Linda and Judy offered for consideration the option to hire someone who could begin working much quicker in the interim. Denny Patthoff noted that Ohio Parks and Recreation Association (OPRA) leads executive searches for a fee. Judy Indorf will contact Woody Woodward, Executive Director OPRA to discuss their service.

Action: *Judy Indorf to contact Woody Woodward, Executive Director OPRA, to learn about their executive search service.*

1. Linda Amos and Judy Indorf are the members of the Personnel Committee.
2. We have job descriptions from Erie and Sandusky County Metroparks for reference – Gary requested the board members review these.

Action: *Board members to review the job descriptions provided by Erie and Sandusky County Metroparks*

3. Agreed the primary objective for an employee, likely a director, will be to write grant requests
4. Timing of hiring staff will be 2022 as set by cashflow; numbers of employees will be based on need – **note we have since learned that we will begin receiving tax levy funds in 2021 rather than 2022.**
5. Noted that we have two options for managing our finances:
 - a. Keep levy tax dollars in the county fund and we would write Purchase Orders to the county to pay invoices from the fund.
 - b. Establish a Park District Treasurer/Secretary and they would manage our cashflow directly
 - c. No decision needs to be made or will be made at this time; we will consider these options and review how Erie and Sandusky County Park Districts manage their cashflow

ii. Finances

Minutes for March 19, 2021 – See above New Business minutes.

1. A Budget Committee consisting of Mike Shadoan and Linda Amos has been created. Gary Kohli will stay engaged in this committee.
2. As a follow-up to our February 19, 2021 meeting, Gary confirmed the process by which Erie Metroparks receives their funds and pay invoices. Twice per year, funds from Erie Metropark's levy are transferred to their account and they pay invoices from their account. As discussed at our February 19, 2021 meeting, the Park District of Ottawa County's preference is for the Ottawa County Auditor to hold our funds in an account and we would then issue a voucher to the Ottawa County Auditor to pay an invoice for the Park District from our account.

iii. Office location options

No discussion

We could reply to email senders using the Park District email. Judy will work with Doug Rogers on this effort.

c. North Coast Inland Trail/Genoa/Elmore

No Discussion

Angela has replied acknowledging receipt of Jennifer Fording's email. The Board agreed that the grants the Park District will be offering could be a good source of funding for the Storywalk.
 - ii. Status of Genoa to Elmore trail opening – The rails for the trail over the Portage River have been backordered, so the ribbon cutting/opening ceremony will not be held until the rails have been received and that portion of the trail completed. We will continue to monitor.
- d. North Coast Inland Trail/Genoa/Millbury

Minutes for March 19, 2021 – Gary Kohli confirmed he delivered the Letter of Support for the Genoa to Millbury trail to Genoa's Mayor Bergman last week for their use in their grant application.

All Board members have copies of the submittals we received in response to our Request for Qualifications for Professional Services for future Park District projects. A committee of Gary Kohli and Mike Shadoan was formed to review the submittals and make a recommendation to the Board on a provider.

 - iii. Linda Amos confirmed the TAP application has been submitted.
 - iv. Tom Bergman noted that this project could be separated into two projects if appropriate.
 - v. The current extension of the NCIT ends at the "back of the Genoa Park". Continuing the trail to the front of the park and routing the trail through Genoa appears to be an attractive option with viability to connect to other communities if desired.

 - x. The Park District is working with the Village of Genoa to identify the most cost effective and efficient funding option. Potential sources of funding include ODNR, Clean Ohio Trails and Recreational Trails. The potential sources have various match requirements and may have stipulations for use.
- e. Magsig Farm

Minutes for March 19, 2021 - To progress applying for the OPRA ODOT Metroparks Program money, Judy Indorf noted that we need to have either ownership or a 15 year lease on the park. Gary Kohli will contact Andy Brown, Director Sandusky County Metroparks regarding the transfer of the Magsig Farm to the Park District of Ottawa County. Gary Kohli will also discuss our need for a lawyer to support this transfer with the Ottawa County Prosecutor.

Attached is a Word Document which contains the email from Gary Cooper regarding the 2021 to 2023 program along with a Sample Resolution we must pass to participate in this program.

ODOT OPRA Email
Regarding 2021 2023

It was noted that we either need a long term easement or ownership of the Magsig Farm to apply for funds. Denny Pathoff noted that the taxes for 2020, due in 2021, have been paid in full by Sandusky County. Gary Kohli will reach out to Andy Brown, Director, Sandusky County Park District to discuss the property transfer.

Discuss way forward.

- ii. Judy talked to Gary Cooper, OPRA ODOT Program Coordinator, regarding the ODOT Metropark Program funds. He has sent several documents for the Park District's use regarding the ODOT Metroparks Program along with two other unrelated documents he felt we may be interested in regarding funds for bikeways. Judy has forwarded these to the board. Gary Cooper noted that the next biennial term runs from July 1, 2021 to June 30, 2023. Included in the documents Gary Cooper sent is the previous term's Park Board Resolution template for our review and discussion. This term's funds and program have not yet been approved by the Ohio legislature. Gary agreed to help the Park District of Ottawa County participate in the upcoming term. He noted that the resolution form for the next two year term will likely be sent out in February after the Ohio Legislature has enacted the State Biennium Transportation funding act, and it has been signed into Law by the Governor. The resolution will likely be due June 1, 2021, noting that since this will be our first request, he would like to receive it prior to June 1.
 - iii. Request from the Friends of Ottawa County Parks that we initiate transfer of the Magsig Farm to the Park District of Ottawa County to enable the Park District of Ottawa County to participate in the ODOT Metroparks Program to improve road access to this property.
 - iv. Would like L. J. Overmeyer's ideas on entrance modifications and then will contact ODOT regarding modified/upgraded entrance to the farm; Judy sent L. J. Overmeyer an email on June 1, 2020 and hasn't received a response. It was noted that L. J. is very busy with his business. We will wait until he has time to work with us on the development of the Magsig Farm.
 - v. The preferred entrance is likely from S. Schutt Rd.

- i. Kent Whitehead and Kevin Joyce, from Trust for Public Land joined the Park District's March 5, 2021 meeting to discuss a potential project in Danbury Twp. Kent and Kevin introduced themselves and indicated they both work on Land Transaction projects. Kent works in Washington D.C and has been filling the Ohio position on a temporary basis. Kevin Joyce has taken over the Ohio position and is from Sylvania, OH. They reviewed a few of the area projects TPL has participated in. At a high level, they help other organizations purchase land with the expectation that the organization they help then manages the property. They do not typically purchase land for TPL ownership and management. TPL can help with due diligence of the property, identification of funding sources, purchase agreements and even at times will hold land as the organization they are helping arranges for funding and finalizes agreements. TPL will often try to absorb the cost of due diligence. Specifically, in Ottawa County, TPL has recently looked at land in Danbury Twp. at the corner of State Rt. 269 and State Rt. 163. It was noted that this is a very preliminary discussion with the intention to gauge the Park District of Ottawa County's interest in this land. Additionally, TPL has not confirmed the landowner is interested in talking about this type of a transaction. The Park District should consider what they would see as the purpose of owning the property. Discussion was held regarding the ongoing cost of owning this type of land. The Park District asked if there would be any requirements we would need to meet or maintain. TPL indicated that some organizations that provide funds may set requirements that must be met to obtain funding and some incentivize certain actions to be taken. The Park District agreed to discuss this opportunity and contact Kevin Joyce regarding our future interest.

Action: *Park District Board to discuss the opportunity to purchase the property at the corner of State Rt. 269 and State Rt. 163 in Danbury Twp., determine our interest and communicate whether we are interested to Kevin Joyce.*

- g. Harder-Thorne Property in Oak Harbor

No discussion

Her vision includes non-chemical farming and conservation practices, education, research and local economy benefits. Her parents were founding members of the Black Swamp Bird Observatory and the property has birdwatching trails. Vicki has been working with the Central State University, the Nature Conservancy, Ohio Ecological Food and Farm Association. Vicki is inquiring whether the Park District of Ottawa County would like to be part of this effort. Vicki lives in the Chicago area and will be in Ohio in April. It was suggested that we meet and possibly tour the property when Vicki is in Ohio in April.
