c. North Coast Inland Trail/Genoa/Elmore

Minutes for July 6, 2021 – Tom Bergman, Mayor of Genoa, joined the Park District meeting to discuss the recent accident on State Route 163 west of Martin Williston Rd. where a mother who was rollerblading with her two children was hit by a vehicle. Observers in the area have noticed that a number of bikers, walkers, etc., choose to exit the trail along Martin Williston Rd and travel west on State Route 163. Additionally, while many in Genoa and Clay Twp are very happy with the Genoa to Elmore trail extension, many have asked why the portion of the trail along Martin Williston Rd. is essentially on the shoulder of the road and not separated from the road similar to the other portions of the trail extension. Noting that the Park District was not involved in this decision, all agreed that the design along Martin Williston Rd. is not ideal. The Park District agreed to discuss options to improve this section of the trail with the Clay Township Trustees. Mike Shadoan agreed to attend the next Clay Twp. Trustee meeting with Mayor Bergman, if Mike's schedule allows. Angela LeForce will also check her availability to attend.

d. North Coast Inland Trail/Genoa/Millbury

Minutes for July 6, 2021 – Gary Kohli reported that Ottawa County Prosecutor James VanEerten has approved:

- the Poggemeyer Design Group retainer contract with the Park District
- and the Poggemeyer Design Group contract with the Park District to conduct the necessary professional engineering and survey services to assist the Ottawa County Park District with the acquisition of property along the proposed route of the North Coast Inland Trail from the Village of Millbury to the Village of Genoa

Additionally, Gary reported that the Ottawa County Auditor has confirmed the Park District has the necessary funds to pay Poggemeyer for their work.

DONE *Tim Bock to obtain a cost estimate from WE Realty to conduct a title search on the N&S property intended to be used for the trail between Genoa and Millbury.*

ACTION: *Linda Amos will reach out to Jeff Shaner, Financial Program Manager, ODOT Alternative Transportation Program to understand why we were not successful in our grant request.*

- i. Gary Kohli received word that the County prosecutor approved the proposed contract where Poggemeyer Design Group will be retained. Further, a second contract with Poggemeyer Design Group is more specific and for the purpose of acquiring land required to extend the North Coast Inland Trail. This contract is pending approval by the Prosecutor. Tim Boch noted that Poggemeyer Design Group is currently scheduling into August, 2021 for surveys, and as such, he would like to schedule right away to complete a survey as soon as possible.
- ii. Linda Amos continues to try to reach Jeff Shaner, ODOT TAP Project Finance Manager to discuss our ODOT TAP grant application with him.
- iii. At our June 1, 2021 meeting with Mayor of Millbury Michael Timmons, Mayor of Genoa Tom Bergman and Ottawa County Commissioner Mark Stahl, all agreed we would like to progress understanding the feasibility of purchasing the Norfolk & Southern right of way property for the trail. Participants recalled that there were a few property owners that were not supportive of the project, but also noted that we may have options to move the trail to

adjacent property where the owners may be more supportive. It was noted that the previous title search by WE Realty only looked for reverter clauses. Tim Bock will obtain a cost estimate for our next meeting from WE Realty to conduct a more thorough title search, as the previous search only looked for reverter clauses.

- iv. It was reported that unfortunately, we did not receive the grant for development of the trail from Genoa to Millbury. Judy Indorf reported that Linda Amos offered to reach out to ODOT TAP to better understand why we were not successful.
 - v. Tim Bock, Poggemeyer Design Group, introduced himself to the Board. Tim will be working on behalf of Poggemeyer with the Park District. He will provide a contract for the Park District to enter into with Poggemeyer Design Group. Tim noted he is taking over this role from Greg Biecsad and will be getting up to speed on our projects.
 - vi. Poggemeyer Design Group has been selected to hold a two year retainer and support the Park District in projects during that two years.
 - vii. It was agreed that from the organizations that submitted responses to our Request for Qualifications, we should select a provider to be held on retainer for two years to support our future projects. Mike Shadoan agreed to review the RFQs and make a recommendation to the Board on an organization to provide project support.
 - viii. Gary Kohli has provided the Board members with a copy of each of the RFQs we received for Professional Services for the Board's review. Agree way forward.
 - ix. The RFQ for Professional Services was published in the February 1, 2021 edition of the News Herald and is also posted on the Park District's website. Those responding were instructed to send five copies of their qualification statements to Gary Kohli's attention at the Ottawa County Courthouse by February 12, 2021. They were also instructed to direct any questions to Gary Kohli's email address.
 - x. Linda Amos confirmed the TAP application has been submitted.
 - xi. Tom Bergman noted that this project could be separated into two projects if appropriate.
 - xii. The current extension of the NCIT ends at the "back of the Genoa Park". Continuing the trail to the front of the park and routing the trail through Genoa appears to be an attractive option with viability to connect to other communities if desired.
 - xiii. Gary Kohli requested Angela LeForce be the Park District Board contact to work with Tom Bergman and Linda Amos on progressing this project.
 - xiv. Gary received communication that we are eligible to apply for TAP funding for the Genoa to Millbury trail project. Linda Amos is working on filing our formal application for the funding, which is due January 31, 2021.

 - xvi. We have received a letter from Wood County Park District indicating their intention to work with us to develop and construct the trail as well as fund their portion of the development.
 - xvii. The Park District is working with the Village of Genoa to identify the most cost effective and efficient funding option. Potential sources of funding include ODNR, Clean Ohio Trails and Recreational Trails. The potential sources have various match requirements and may have stipulations for use.

- Allen Magsig has the right to remove timber from the land
- Sam Harrison has the right to remove timber from the land.

No other restriction on use of the property are included in the deed.

Attached is a Word Document which contains the email from Gary Cooper regarding the 2021 to 2023 program along with a Sample Resolution we must pass to participate in this program.

ODOT OPRA Email
Regarding 2021 2023

It was noted that we either need a long term easement or ownership of the Magsig Farm to receive funds. Denny Pathoff noted that the taxes for 2020, due in 2021, have been paid in full by Sandusky County. Gary Kohli will reach out to Andy Brown, Director, Sandusky County Park District to discuss the property transfer.

Discuss way forward.

- vii. Judy talked to Gary Cooper, OPRA ODOT Program Coordinator, regarding the ODOT Metropark Program funds. He has sent several documents for the Park District's use regarding the ODOT Metroparks Program along with two other unrelated documents he felt we may be interested in regarding funds for bikeways. Judy has forwarded these to the board. Gary Cooper noted that the next biennial term runs from July 1, 2021 to June 30, 2023. Included in the documents Gary Cooper sent is the previous term's Park Board Resolution template for our review and discussion. This term's funds and program have not yet been approved by the Ohio legislature. Gary agreed to help the Park District of Ottawa County participate in the upcoming term. He noted that the resolution form for the next two year term will likely be sent out in February after the Ohio Legislature has enacted the State Biennium Transportation funding act, and it has been signed into Law by the Governor. The resolution will likely be due June 1, 2021, noting that since this will be our first request, he would like to receive it prior to June 1.

business. We will wait until he has time to work with us on the development of the Magsig Farm.

- x. The preferred entrance is likely from S. Schutt Rd.
 - xi. L. J. inquired about receiving stone/funds from ODOT. We need to ensure we do not miss applying for money from ODOT. Judy is working with Gary Cooper from OPRA on accessing these funds.

Mike has sent the commissioners an email.
- i. Denny Patthoff noted that ODOT will be repaving State Route 163 in Danbury Twp. in 2023/24 and requested that the Park District work with ODOT District 2 to improve the berm along 163. - a. Charting our path forward
 - i. Staffing

Meeting Minutes for July 6, 2021 – Gary Kohli confirmed that Ottawa County Prosecutor James VanEerten stated that the Park District's Executive Director will be a public employee, but not an Ottawa County employee. As a result, Park District employees will not be covered by the county's benefits, e.g. medical. It appears that most park districts contract with their county to provide benefits to their employees. Gary will determine if any other department is similar to the Park District in that its employees are not county employees and if so, how they provide benefits.

The Executive Director's salary range was discussed and the board agreed to offer a salary of \$50,000 - \$60,000. If we do not attract a qualified person we can adjust the salary.

Jack Madison moved we submit the Executive Director job description to Woody Woodward, OPRA Director, with a salary range of \$50,000 - \$60,000 with the benefit package to be determined.

Mike Shadoan seconded the motion to submit the Executive Director job description to Woody Woodward, OPRA Director, with a salary range of \$50,000 - \$60,000 with the benefit package to be determined.

A vote was held with the following outcome:

Gary Kohli	Yes
Angela LeForce	Yes
Jack Madison	Yes
Mike Shadoan	Yes
Judy Indorf	Yes

The motion to submit the Executive Director job description to Woody Woodward, OPRA Director, with a salary range of \$50,000 - \$60,000 with the benefit package to be determined carries.

1. Woody Woodward, OPRA Director, joined our June 15, 2021 meeting and began working with us on the search for a director. Woody facilitated a discussion with the attendees to develop the job description of the Director. Below is a summary of information and desirable skills provided to Woody
 - Ottawa County has a lot of parks managed by others, locally managed, state managed, federally managed. The goals of the Park District are to construct trails to “Connect People, Places and Parks”
 - Ottawa County is very diverse ranging from a very busy vacation area at the east end, to an agricultural rural area on the west end
 - The successful candidate should:
 - Be capable of establishing a trail system from conception, including acquiring/leasing land for trail use
 - Be knowledgeable in grant writing
 - Be capable in building relationships with both community members and local government and community leaders
 - Have a working knowledge of trail construction
 - A discussion was held regarding the length of time a person typically stays in this type of role. Woody noted that during his tenure a majority of the park directors will have turned over, but also noted, many will have been in their role for many years before leaving the role. It was noted that experience and longevity in role can have positive and negative aspects. Experience and longevity bring with it knowledge and capability, but can also hinder new ideas and creativeness.
 - Woody noted that we should provide the successful candidate with a list of our contacts/people the successful candidate should meet/know, including community leaders, local government leaders, stakeholders, etc. and we should facilitate introductions as much as possible.
 - Before setting a salary, we should consider the salaries of our county government leaders, e.g. the County Engineer, County Administrator; Gary Kohli will obtain the salary levels for these positions for us to use as a guide
 - At the second or third interview, we should consider asking the candidates how they envision the board supervising them.
 - OPRA holds quarterly Director meetings which Woody believes are very helpful and effective for the Directors.
 - Woody described the expected selection process timeline:
 - Early the week of June 21, 2021, Woody will send an updated job description to the board members
 - Board members should take 3 or 4 days to review and comment on the job description

- The Board will hold a Special Meeting on June 29, 2021 where a final job description will be agreed and the final job description will then be forwarded to Woody
 - Woody will post the job for ~ 1 month, with resumes of interested candidates to be received by July 23, 2021. The job will be posted on OPRA's website, the National Recreation and Parks Association site, MI, IN parks' site and Indeed
 - Woody can then send as many of the resumes to the Board as we want, or he can screen the resumes first
 - From the set of resumes provided to the Board members, each Board member will select their top 6
 - We will then have a Zoom meeting with Woody to share our individual selections and using weighted voting select the Board's top 6 candidates to move forward with.
 - Woody expects first round of interviews to be held mid-August and second round of interviews to be held in September, with a decision resulting; Woody suggested the second interview could begin at the Genoa trailhead, move to a meeting room for questions and finish with lunch
 - The Board agreed to hold a Special Meeting on June 29, 2021 to review and approve the Job Description
2. Following our June 1, 2021 meeting, Gary Kohli signed the OPRA Executive Search contract and Judy Indorf returned the contract Gary signed to OPRA. Woody Woodward, Director of OPRA signed the contract on behalf of OPRA and provided the Park District with a copy of the signed contract at this meeting. We received an invoice via email for payment of half of the cost of the Executive Search. Mike Shadoan will process the payment of this invoice.
3. Our OPRA dues are now paid.

Action: *Mike Shadoan to process the OPRA invoice for half of the OPRA Executive Search payment.*

DONE ACTION: *Gary Kohli to obtain the salary levels for relevant Ottawa County positions for the board to use as a guide in setting the Director's salary.*

Previous minutes regarding OPRA' Executive Search - Woody explained that OPRA offers an Executive Search service. They have conducted searches for ~22 agencies, including the large and established Columbus Park District and the smaller Clermont Park District. Their service includes:

- Meeting with the Board to discuss the characteristics, needs, etc. of the Park District, and using that information to create a Job Description
- Posting the open role in Ohio, Michigan, Pennsylvania and their national network
- Collecting the resumes and helping the Board identify those to be interviewed; they will do this with as much or as little involvement of the Board as desired
- Creating interview questions
- Conduct the first round of interviews via Zoom with the Board included
- Conduct the second and final round of interviews in person with the Board included
- Supporting the Board in identifying a successful candidate, noting it is the Board's responsibility to decide on the successful candidate

To initiate this effort, we would enter into a contract with OPRA. We need to be a current member of OPRA. Woody will confirm whether our dues are current. The cost of OPRA's Executive Search will be between \$12,000 and \$16,000, likely ~\$14,000, excluding any candidate travel costs.

Timing is largely a function of the Board's availability. Woody expects:

- 7 – 10 days to create a Job Description

- 3 – 4 weeks for posting
- 2 months to conduct interviews
- Total 75 – 90 days depending on our availability to meet

OPRA conducted a state wide salary survey a couple years ago and will provide a typical salary for our role. He expects it will be ~\$80,000 without benefit costs included. We should ensure the skill set we require is based on the promises we made in our levy proposal. We confirmed that the role will have wide-ranging responsibilities, especially the ability to write grant applications.

Woody noted that OPRA is planning to hold its conference January 21 – 23, 2022 at Kalahari.

1. Judy Indorf sent an amended draft of Sandusky County’s Director/Secretary role for discussion. Linda and Judy noted that this position would likely take significant time to fill, and possibly is more qualified than needed to start. Linda and Judy offered for consideration the option to hire someone who could begin working much quicker in the interim. Denny Patthoff noted that Ohio Parks and Recreation Association (OPRA) leads executive searches for a fee. Judy Indorf will contact Woody Woodward, Executive Director OPRA to discuss their service.
2. Linda Amos and Judy Indorf are the members of the Personnel Committee.
3. We have job descriptions from Erie and Sandusky County Metroparks for reference – Gary requested the board members review these.

DONE Action: **Board members to review the job descriptions provided by Erie and Sandusky County Metroparks**

4. Agreed the primary objective for an employee, likely a director, will be to write grant requests
5. Timing of hiring staff will be 2022 as set by cashflow; numbers of employees will be based on need – note we have since learned that we will begin receiving tax levy funds in 2021 rather than 2022.
6. Noted that we have two options for managing our finances:
 - a. Keep levy tax dollars in the county fund and we would write Purchase Orders to the county to pay invoices from the fund.
 - b. Establish a Park District Treasurer/Secretary and they would manage our cashflow directly
 - c. No decision needs to be made or will be made at this time; we will consider these options and review how Erie and Sandusky County Park Districts manage their cashflow
